

## The People of the Crater

by Andrew North (Andre Alice Norton, 1912-2005)

An air force pilot adrift in peacetime is recruited to join an Antarctic expedition. When a strange mist downs his plane he discovers an ancient alien civilization which has prophesized his arrival. Now he and his faithful pet Ana must descend to the depths of the crater and face the Black Ones in order to rescue the fair Thralla, daughter of the Ancient Ones.

Andrew North (Andre Alice Norton , born: Alice Mary Norton) was a popular author of science fiction and fantasy who began publishing stories in the early 1930s.
